SOCIETY WOMAN

You can learn to run The Baker in 30 minutes. It far exceeds all other electrics in simplicity, safety, as well as mileage and speed. It is noiseless and clean; having a battery capacity of 70 to 100 miles, it is unequalled for city and suburban use.

Write for Our Handsome Booklet

It clearly explains the many advantages of Baker Electrics, and gives full information regarding the elegant 1910 MODEL Coupes, Broughams, Victorias, Landaulets, Roadsters, etc.
